[illegible] History

[illegible] bright morning in September, 1941, [illegible] eagerly [illegible] another year at school. For some it was the same school, same friends, some faculty but for others like us, the future class of '45, it was entering a new school, a complete new life and routine. We [illegible] the elementary schools and had begun our first year at Central in the seventh grade. We had to become adjusted to a new schedule, classrooms, and classmates. At the end of a successful year we graduated from Grammar School by having a May Day Program instead of the usual [illegible] over was a King and Queen! The King, Arthur Mock, is still with us but the Queen, June Cosby, has departed to another school. Our first year at Central was the last year that Mr. H. S. Powell was principal.

The following year we returned to Central High with great hopes. We found Mr. L. W. Johnson as principal, who has become a dear friend to us. As high school Freshmen we were allowed to enter into the clubs and sports which we did enthusiastically. Many members held high offices and all became active in each club. Although we did well in the social life of the school we weren't quite up to par, as the saying goes, in the scholastic line. Then we left that year we made a resolution to do much better the next year.

The summer months flew by swiftly and again we entered dear C. H. S. Remembering our resolution we did improve a great deal and also became closer friends with each other. We were Sophomores and we looked on with interest as the Juniors prepared for the annual Junior-Senior Banquet.

Then, we were Juniors and we had a big job to do--to give the Seniors a Banquet and Prom like they had never enjoyed before. We accomplished this after a long and hard struggle. We personally thought it was the best one given but realized that every other Junior class would think the same. In May at the Graduation Exercises we realized that our school life was drawing to a close.

In a very short time we found ourselves again at the side doors of Central hurrying in. The first few days we expected to see the Seniors but they never appeared and then it dawned upon us--We Were Seniors! That seems strange, that long awaited day and we didn't feel different.

This year for the first time we are all in one homeroom under the expert guidance of Mrs. Mildred B. Mock, who is our friend and teacher. The chief objective of our Senior year besides graduating is the trip to Washington. As we continue through the year, is thought comes to us:

Little cuts from classes.
Little cards marked late.
Make the Seniors wonder
If they will graduate.

Each [illegible] next few months will be gone and we will leave Central for the last time. We five dreamers of years hence. Then we will have memories will return which will have to be cherished as [illegible] places in our book of life.

Lucille [illegible]

JUNIORS

10th Grade History

We, the class of 1950, are a little doubtful as to what title to apply to ourselves. Juniors? It would seem so since we were classified as Sophomores last year. Yet, if Juniors this year, then certainly Seniors next year. We know that this cannot be the case since we do not graduate until 1950.

Whatever our classification, we are proud of our class and of the work we have been able to accomplish. We have furnished stars for Central's boy's and girl's ball teams and for the Girl' basketball teams. Some of our members were among those who represented our school at the Hi-Y and Tri-Hi-Y Conference at Cape Charles and will represent this district in the State Conference at Richmond. Members of our class were chosen with members of the Senior Class to raise money for the two respective classes by selling drinks and checking coats at the three concerts held in our auditorium by the Community Concert Association. Our class was responsible for selling refreshments at the Social Club Dance. The money we have raised in this and other ways will be used to pay for the banquet and dance which we expect to give the Senior Class at the close of school.

Scholastically speaking, we are very proud to be able to say that our class ranks as high as any class in school. We hope we will be able to hold this record during our remaining two years at Central.

Our officers for the year have been:
Johnnie Parks-President
Herbert Ames-Vice-President
Barbara Hope Campbell-Secretary
Sally Ann Mason-Treasurer

[illegible] Class History

On this day, September 4, [illegible] and eighty-first [illegible] boys from the Barre [illegible] Schools entered Certain High. It took us several days to get accustomed to the many rules and regulations.

We have taken part in all the activities. The most important event done by us during the year was a Christmas play.

Our class was organized and the following officers were elected:
President--Doris Campbell
Vice-President--Marvin Major
Secretary--Juanita Bundick
Treasurer--John Davis Drewer

The first Friday of every month we have designated as the day for our class meeting. After the business is discussed, we have a program conducted by some member of the class.

We have tried to do our part and we feel that in the years to come, we will be a credit to the high school of which we are all so proud.
